

CALL FOR SPONSORSHIP

NELMS Annual IoT Conference

Dec 3-4, 2019

Gainesville, FL

The organizers for the *Inaugural Nelms Annual IoT Conference*, 2019 by the Warren B. Nelms Institute for the Connected World, at University of Florida, requests sponsorship at different levels. The conference will be held December 3-4, 2019, at Reitz Union, Gainesville, FL, USA.

The conference will focus on innovations in Internet of Things (IoT) platform technologies, including artificial intelligence, security, safety, energy-efficiency, and interoperability, and their exciting applications in diverse fields, including smart consumer electronics, automotive systems, industrial automation, healthcare, and environment.
